

Greetings,

The COVID-19 pandemic has significantly disrupted the provision of many health services on the global scale. Within this IFA Virtual Town Hall, Dr. Katherine Pettus, Advocacy Officer with the International Association for Hospice and Palliative Care, explores some of the challenges and opportunities of providing palliative care for patients in these extraordinary times.

Date and Time: Friday 13th November 2020
7:00-8:00 am (Eastern Standard Time)

Opening Remarks: Dr. Katherine Pettus
Advocacy Officer for Palliative Care
International Association for Hospice and Palliative Care
